Yesterday was a very busy day for Jack's family. Everyone stayed at home and helped with the chores. In the morning, Dad made a shopping list and went to the supermarket. He bought a lot of food and put it in the fridge. Mom used the washing machine to wash the dirty shirts. After that, Jack and his sister hung the clothes out in the yard.
In the afternoon, they cleaned the house. Jack took the trash out and fed his pet dog. His sister used the vacuum to clean the living room floor. For dinner, Mom cooked a delicious meal on the stove, and Dad used the kettle to make some hot tea. Before they ate, Jack set the table. After dinner, they did the dishes and used the microwave to heat some milk.
Now, they are tired but very happy because next week, they are going to go on a summer vacation! They are going to stay in a beautiful hotel near the beach. Jack is going to learn to surf, and his sister is going to a water park. They are also going to visit a large aquarium to see fish and sharks. On the second day, Mom and Dad are going to visit a museum to see old things and explore a big castle.
