I wake up at about 7:30 a.m. during the week, but much later on Saturdays. After I wake up, I move very fast.
I only need 20 minutes between the time my alarm clock rings and the time I leave the house. I don´t have breakfast at home; I have to wait until I arrive at the office for a cup of coffee.
I start work at 9 a.m. and work for four hours. During lunch time, I often sit in the park and read while I eat a sandwich. Before I go back to the office, I do some shopping. The afternoon passes very quickly. I work until 6 o´clock and then I go home. I started working in that company in 1999.
In the evenings, I usually watch TV or go out for dinner with some friends. I don´t go to bed late because I have to get up for work the next day. At the weekends my routine is very different.
