READING

I had a very strange dream last night. I was by the sea with my friends and it was night-time. Suddenly, we saw a beautiful black horse. Then there were lots of black horses, but they were scared and they started running.

My friends and I tried to understand why. Then we saw a really big shark. It was a strange shark because it had arms and legs. It came out of the sea and tried to eat one of the horses. Then the shark saw us! We started running and screaming!

We ran behind a big rock and tried to hide. The shark looked at us and moved very fast. One of my friends fell down and started crying. I helped my friend and we ran together. Suddenly, the horses came back and scared the shark. The shark went back into the sea.

Luckily, that's when my mum came into my room and woke me up. I was very scared, but it was just a dream.
