Contractions: are

A contraction is a word made up of two words. We combine them to speak & write faster. Combine the two words and make a new word that means the same thing. Be sure to add an apostrophe between them, in the correct spot. Which letter do we keep taking away? Then, try it backwards.

they are ↘ ↙ _____	we are _____
you are _____	they're _____
we're ↙ ↘ _____	you're _____
