II. *Read the passage and choose the correct answer.*

Who are the best drivers? Which drivers are the safest on the roads? According to a recent survey, young and inexperienced drivers are the most likely to have an accident. Older drivers ar more careful. Young men have the worst accident records of all. They often choose faster cars with bigger engines. One of the most interesting facts in the survey is that passengers have an effect on the driver. When young male drivers have there friends in the car, their driving become worse. When there is a wife or a girlfriend is in the car, however, their driving is better. But opposite is true for women. Their driving is more dangerous when their husband or boyfriend is in the car.

1. Who have the worst accident records of all?.....
   A. Young men B. Young women C. Old men D. Inexperienced men
2. According to the survey, who are the most likely to have an accident ?
