Reading: World of Legends

Many ancient myths tell incredible stories about mythical heroes, dangerous monsters, and powerful gods. Have you ever wondered what life would be like if these legends were real?

For example, **if I lived in Ancient Greece**, I would definitely visit the famous Labyrinth of Crete. However, **if I met the terrifying Minotaur** inside the maze, I would run away as fast as possible! I certainly wouldn't fight it unless I had magical weapons.

In another famous legend, King Midas received a wish that turned everything he touched into solid gold. **If I had the Midas Touch**, I would be extremely careful. I wouldn't touch my food, my friends, or my pet dog, because **if they turned to gold**, I would be very lonely. I would only touch useless objects like old rocks!

Finally, what about mythical creatures like the Pegasus? **If I owned a winged horse**, I would fly across the oceans and visit every country in the world. I wouldn't need an airplane, and I would avoid traffic every day. Exploring the world would be much easier if we had mythical creatures to help us!
