3 **Find and underline five mistakes with tenses in the text. Write the correct form above each mistake.**

I recently joined an online language learning community. It's a website which is helping you learn new languages. There are interactive lessons and you can also talk to other people by video chat. I learn English at the moment but I might start Japanese soon. I'm liking it so much that I log on as soon as I'm waking up in the morning and I try to talk to at least one person every day. I only started using it a few weeks ago but my English gets better already.
