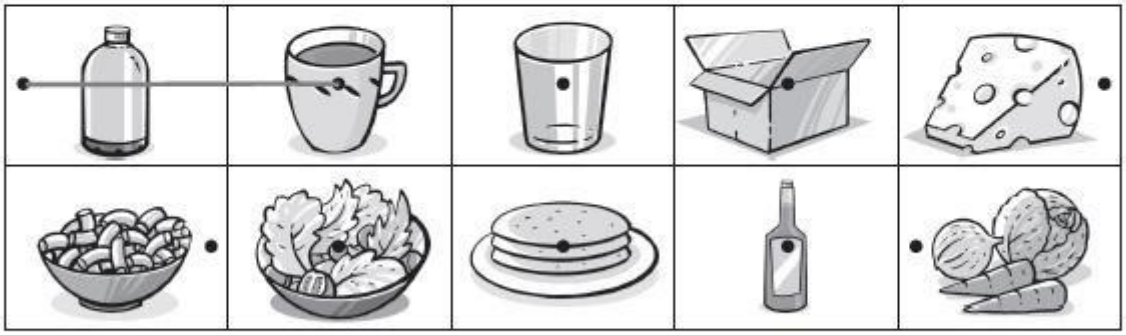
Unit 8

Reinforcement worksheet 1

Follow the instructions.



When you buy lemonade, it comes in this. Start here and draw a line to the thing that you use to drink hot drinks.

These are flat and you fry them in a pan. Draw a line from them to the liquid you pour over food.

Some children say that they don't like these. Draw a line from them to the food made from milk.

Draw a line from the food that comes from Italy to the thing that you buy lemonade in.

You use this to drink cold drinks. Draw a line from it to the thing you use to carry a lot of bottles.

Draw a line from the food that some children don't like to the liquid you pour over food.

These are flat and you fry them in a pan. Draw a line from them to the food that you eat cold with meat.

Draw a line from the food that you eat cold with meat to the food from Italy.
