Reading

5 Przeczytaj wypowiedź Williama i uzupełnij streszczenie wyrazami z tekstu.

Today, teenagers have more time to have fun than they did in the past. In my opinion, that's a good thing. My grandma and grandad left school to start work when they were fourteen. Teenagers often worked in big houses, working in the gardens or doing the housework. Some young people worked on farms, or learnt how to make things that people needed, like shoes. There weren't many holidays, and they started work early in the morning! The Christmas and Easter holidays were really big events. It was a time when all the family was together.
