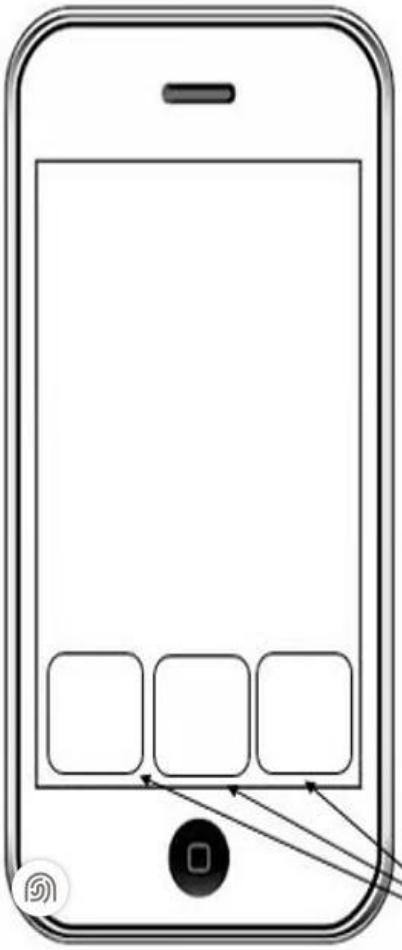
"You used to call me on my cell phone"

Mixing past events with new technology

Directions: You will create a cell phone for one of the people we have discussed. Be creative but also try to be true to that person. Think about their personality, strengths and weaknesses, likes and dislikes.

Start by drawing a wallpaper image for their phone (in color).

_____ Phone



Contacts

Include a name and small picture for three people that would be in their contacts.

Text Messages

Give a snapshot of their last convo.

Applications

Draw 3 apps that this person may have on their phone. In the space below, pick **one** app to explain why they have it.

Last Call

Who did this person last call on their phone?

What did they discuss?
