NEWTON'S THREE LAWS OF MOTION

Drag-&-drop the correct word for each fill-in-the-blank statement about Newton's Three Laws of Motion.

1. Law of _____ : objects in motion will tend to stay in motion and objects at rest will stay at rest, unless acted on by a _____
2. The _____ the force, the greater the change in motion will be. The more massive an object, the less effect a given force will have.
3. For every action, there is an _____ and _____ reaction.

equal | greater | inertia | opposite | force
