**9** **Read the text again. Which art form matches each sentence? Write A, B, C or D. You need to use one art form twice.**

Traditionally, when people think of art, they think of things like painting and drawing. However, nowadays there are many more forms of art and these new forms are becoming more popular. Here are some examples.

A. Sound art:
This uses music or the sounds of nature to create art. It helps people enjoy the art through their feelings. Sound artists often put unusual sounds together to make new types of music which people haven't heard before. People listen to the sounds and think about how they make them feel.

B. Rock painting:
This is a popular way to mix art and nature. Artists paint on rocks or stones they have found in the places near to where they live. The main idea is to help people feel more strongly about the natural world. Also, sometimes artists make models or objects with rocks.

C. Smoke art:
This is a way of making pictures with smoke from oil lamps or candles. Many artists use smoke art to add light colours to their pictures and make them more beautiful. It is a difficult skill to learn.

D. Word art:
Nowadays, many art galleries have pictures that use words. Artists like to use words to talk to the people that see their art. Sometimes people can write their own words and add them to the artwork or pictures.

1 Artists use language on the paintings. _____
2 It uses things from nature to create new art. _____
3 People can close their eyes to experience a new kind of art for the first time. _____
4 This art form is not easy to do. _____
5 Artists use this to make their pictures more attractive. _____
