Listen to a talk about leadership in the animal world. Answer each question using NO MORE THAN TWO WORDS AND A NUMBER from the recording.

1. What formation do geese create when they fly long distances?

2. What must a herd of horses always be alert to?

3. During droughts, what did older elephant leaders look for in a new area?

4. What do wolves reinforce by howling together?

5. How long can violent chimpanzees remain as a leader?
