3 Read the leaflets and answer the questions that follow.

A

Child Action

Give children a chance. With your help, we can provide shelter, food, water and education to a child who has lost everything.

Sponsor a child now.

Your generosity can save lives and help millions of children.

B

MAKE HUNGER HISTORY

HUNGRY?

Can you imagine what it's like to be hungry every day? Could you survive on a fraction of what you eat every day? Think about it. Give what you can to make hunger history.

4 Which leaflet above do these comments apply to: A, B or A and B.

1 It lists specific things that the charity is trying to do. _____

2 It gives you an idea of how difficult life is every single day for some people. _____

3 It makes you think about how much you have and how little others have. _____

4 It tells you what the money is used for. _____

5 It works because it tells you that a small amount of your money could change children's lives. _____

6 It's effective because it makes you compare your own life with other people's situations. _____

7 It works because it actually shows people who are being helped. _____

8 It gives you information about a particular problem. _____
