International Safer Internet Day

Asha and her dad are talking about an interesting lesson Asha's just attended. **Choose** the correct option to **complete** the dialogue.

Dad: How was your day?

Asha: Good, thanks. We **1**..... a very interesting class today because it was International Safer Internet Day.

D: I **2**..... about that before. What **3**..... today?

A: We did a fun quiz **4**..... talked about social media **5**..... I got most of the answers right because I often **6**..... my privacy settings carefully so only people **7**..... I know can see my **8**.....

D: That's really good. Maybe I should take a look at my **9**..... settings too.

A: Yes. These days hackers **10**..... it easier to steal information because we're also exposed in the photos **11**..... we are tagged in.

D: Have you got more tips?

A: Yes. Be careful when using hotspots **12**.....owner you don't know. Hackers can create a **13**..... with a similar name and take your personal **14**.....

D: Oh, no! I **15**..... them all the time! How can I check?

A: You should always ask the people **16**..... run the café for the real network name and its **17**.....

D: That's a good idea! Can you help me change my privacy **18**.....?

A: I **19**..... my homework right now but I can help you in a few minutes, okay?

D: Thanks! I **20**..... to start using your tips!
