There is ONE mis-spelt error in each line of the following paragraphs. Underline the incorrect word and write the correct spelling in the box provided.

Example: What is considered normal behaiviour in one society — behaviour

may be termed abnormal in another. Since personalety

disorganization envolves the individual's lack of ability

to participate efficiently in his society, it is often

misleeding to speak of personality disorganization

without reference to practises, attitudes and values

of the partecular society in which the individual belongs.

Shopping seasonelly for produce like fresh

vegetables is sensable. When they are most

available, it is wise to purchase in baulk and

stock or freeze. Local spyces, legumes and

fruits are some obvoius possibilities. Such an

approach is a cost saving, convenient tacktic.
