Hi [Leonardo/ Maria Clara/ Alice/ Maria]! Message from Jayden (12 yrs, Korea)

Nice to meet you! I'm Jayden (12 years old) from South Korea, and I would love to help you with your school project! Here is some cool info about Korea:
Music: K-Pop (like BTS, BLACKPINK, and NewJeans) is super popular around the world!
Food: People love Kimchi, Tteokbokki (spicy rice cakes), and Korean BBQ (Samgyeopsal).
Culture & Art: Korea has a cool mix of traditional culture (like Hanbok and ancient palaces) and modern technology, games, and webtoons.
Sports: Soccer, baseball, and Taekwondo (a traditional Korean martial art) are very popular here!
Good luck with your school project! By the way, when is your birthday? Mine is October 2nd!
