Дивись на допоміжне дієслово. Після asked зазвичай змінюємо час.

Do / Does + V1	Present Simple	V2	Does he play? → if he played
Am / Is / Are + V-ing	Present Continuous	was / were + V-ing	Is she reading? → if she was reading
Did + V1	Past Simple	had + V3	Did he go? → if he had gone
Have / Has + V3	Present Perfect	had + V3	Has she finished? → if she had finished
Will + V1	Future Simple	would + V1	Will he come? → if he would come
Can + V1	Modal verb	could + V1	Can she swim? → if she could swim
Am / Is / Are (без -ing)	Present Simple (be)	was / were	Are you happy? → if I was happy
