Level of Concern by Twenty-One Pilots

1) Listen to the song and choose the word you hear:

Panic on the brain, world has gone insane/ crazy
Things are starting to get heavy / serious, mm
I can't help but think I haven't felt this way
Since I asked you to go out/ steady

Wonderin', would you be, my little quarantine/ isolation?
Or is this the way it ends?

'Cause I told you my level of concern
But you walked by like you never heard / listened
And you could lower/ bring down my level of concern
Just need you to tell me we're alright, tell me we're okay

Panic on the mind / brain, Michael's gone insane
Julie starts to make me crazy/ nervous
I don't really care what they would say
I'm asking you to stay / leave
My bunker underneath the ground/ surface

2) Listen and fill in the gaps

Wonderin', would you be, my little _____?
Or is this the way it _____?

'Cause I told you my level of concern
But you walked by like you never _____
And you could bring down my level of concern
Just need you to tell me we're alright, tell me we're okay, yeah

Tell me we're alright, tell me we're okay, yeah
Tell me we're alright, tell me we're okay
Bring down my level of _____
Just need you to tell me we're alright, tell me we're okay, yeah

'Cause I told you my level of concern
But you walked by like you never heard
You could bring down my level of concern
Just need you to tell me we're alright, tell me we're okay

I _____ you to tell me we're alright, tell me we're okay
Need you to tell me we're alright, tell me we're okay
I _____ you to tell me we're alright, tell me we're okay
Need you to tell me we're alright, tell me we're okay

Need you now
I need you now

'Cause I told you my level of concern
But you _____ by like you never _____
And you could _____ my level of concern
Just need you to tell me we're alright, tell me we're okay, yeah

Tell me we're alright, tell me we're okay, yeah
Tell me we're alright, tell me we're okay
You could bring down my level of concern
Just need you to tell me we're alright, tell me we're okay, yeah

In a world, where you could just lie to me
And I'd be okay, we'll be okay
(My level of concern) we're gonna be okay
(Just need you to tell me we're alright, tell me we're okay)
(I need you)
