Dear Ravi,

Yesterday, my sister and I went to a birthday party. It was for our friend David.

We arrived at four o'clock, but the party wasn't ready, so we helped David's mum and dad. My sister decorated the cake and I made some sandwiches. David's dad painted a message with 'Happy Birthday David' on it.

Our friends arrived at five o'clock. We played games and danced to music. We ate pizza and sandwiches and drank cola and juice. We had a great time! We went home at eight o'clock. We had baths, put our pyjamas on and then we went to bed. It was a great day!
