Homer's Daily Routine!

Hello! My name is Homer J. Simpson. I am 38 years old and I have got a beautiful famous family. We live in Springfield, in the USA and I work in a Nuclear Plant.

Every day, I get up at 7 o'clock. Then, I get dressed very slowly. After that, I clean my teeth and I have a shower. Then, I have breakfast. I love coffee and donuts! After that, I go to work. I start work at 8 o'clock. I don't like my work. At 12 o'clock, I have lunch. At 5 o´clock, I finish working and I go back home. At home, I watch TV. My favourite TV programme is Tommy and Dale! After that, I play computer games with my Bart, my son. After that I go to Moe's bar and drink some beer with my friends. Then, I have dinner at home. Finally, I go to bed at 11 o'clock.
