I'M STILL STANDING

-Listen to the song and fill in the blanks.

You _____ never know what it's like
Your blood like winter freezes just like ice
And there's a cold lonely light that shines from _____
You'll wind up like the wreck you hide behind that mask you ____
And did you _____ this fool could never win?
Well look at me, I'm coming back again
I got a taste of love in a simple way
And if you need to know while I'm still standing, you just fade away
Don't you know I'm still standing _____ than I ever did
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind
I'm still standing (Yeah, yeah, yeah) (x2)
Once I never could _____ hoped to win
You're starting down the road leaving me again
The threats you made were meant to cut me down
And if our love _____ just a circus, you'd be a clown by now
You know I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind
I'm still _____ (Yeah, yeah, yeah) (x2)
Don't you know that I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind
I'm still standing (Yeah, yeah, yeah) (x6)
