KIDS FOUR FINAL EXAM Paper 2

Time allowed: 1 hour

A) Read the story: **"A Day at the Beach"**

Once upon a time, in a sunny beach town, there were two best friends, Emma and Liam. They lived near the beach and loved playing in the sand and watching the sea.

One sunny morning, Emma and Liam decided to have a picnic on the beach. They packed a basket with delicious sandwiches, orange juice, and chocolate chip cookies. They put a towel on the sand and sat down to eat.

When they were eating, they saw a very big bird named Sandy. Sandy had beautiful feathers and a big smile. Sandy looked hungry, so Emma and Liam decided to share some cookies with Sandy. They divided the cookies into small pieces and gave them to Sandy.

After their picnic, Emma built a big sandcastle near the sea. Liam used shells and seaweed to decorate it. Sandy, the bird, watched them build the sandcastle.

When it was time to go home, they said "goodbye" to Sandy and their sandcastle. They promised to come back to the beach soon for more fun and adventures.

Emma and Liam learned that spending time with new friends, even birds, could make their day even more special. They knew the beach was their favourite place, and they couldn't wait for their next seaside adventure! And so, Emma and Liam's beach adventures continued!
