I saw you dancing in a crowded room

A single teardrop falling from your eye

I'll make you cry when I run away

You could _____ me why I broke your heart
You could _____ me that you fell apart
But you walked past me like I wasn't there
And just pretended like you _____

I don't know why I run away
I'll make you cry when I run away

I _____ you think that I would always stay
I said some things that I should never say
Yeah, I _____ your heart like someone did to mir

I _____ you cry when I run away

Save your tears for another day
I said save your tears for another day
Save your tears for another day
Save your tears for another day

KEYS:

I saw you dancing in a crowded room
You look so **happy** when I'm not with you

But then you saw me, **caught** you by surprise
A single teardrop falling from your eye

I don't know why I run away
I'll make you cry when I run away

You could **have asked** me why I broke your heart
You could**'ve told** me that you fell apart
But you walked past me like I wasn't there
And just pretended like you **didn't care**

I don't know why I run away
I'll make you cry when I run away

Take me back 'cause I want to stay
Save your tears for another
Save your tears for another day
Save your tears for another day

I **made** you think that I would always stay
I said some things that I should never say
Yeah, I **broke** your heart like someone did to mine
And now you **won't love** me for a second time

I don't know why I run away
I make you cry when I run away

Girl, take me back 'cause I want to stay
Save your tears for another
I **realise** that I'm much too late
