Timun Mas and Buto Ijo

Work in pairs. Look at the series of pictures carefully. Use them as a guide to write a narrative text about Timun Mas and Buto Ijo. You can modify the original story as creative as you can. Make sure your story includes the generic structure and language features of a narrative text.

You can write your narrative text collaboratively with your partner using Google Docs, then submit your completed work here. After finishing, only one member needs to submit the completed work. Please do not worry, there is no right and wrong answer.
