READING 1

Match the four texts on the left with the texts in the box. Shade in the bubble under the correct option.

1. 'Have you got any books on Omani history?'

2. Teens use mobile phones to send and receive text messages as well as to make and receive calls.

3. Online shopping is an everyday activity for many people.

4. Scientists develop mobile phone battery that can be charged in just ten seconds.

A. It's famous because it attracts 3.5 million visitors a year.

B. It's a quick way to buy everything you want without leaving your home.

C. 'Yes, I do have some. You can borrow them if you like.'

D. It was really nice to meet Ali with his
family there.

E. However, using them at school can cause problems in the classroom.

F. The same technology could also be used for producing batteries for electric cars.

With my best wishes Mr/Alaa Rabia
