How to Make Pizza

Making pizza can be easy and fun! First, get some dough and roll it until it is flat and shaped like a circle.
After that add some pizza sauce, some cheese on top of the sauce, and add your favorite toppings.
Next thing you have to do is to cook your pizza in the oven.
Then when the pizza is done, take it out of the oven and let it cool.
Last step is to cut the pizza into slides and eat it.

A Day at the Park

I like going to the park with my friends. We always go to the swings first. Next my friends and I climb on the ropes.
After that, the ice cream man comes to the playground. We have to wait in line to buy some ice cream. Then when we finish our ice cream, we like to play tag. I love to run around and catch my friends . They run very fast!
Last when we finish the tag game, our moms tell us it is time to go home.
