Activities

Visitors can enjoy many activities such as snorkelling, scuba diving, boating, waterskiing, windsurfing and deep-sea fishing. The calm sea makes it perfect for water sports and relaxation.

Marine Life

The surrounding coral reefs are a home to colourful marine life. Visitors can see tropical fish, sea turtles and beautiful coral under the crystal-clear water.

Getting There

The main mode of transport to Pulau Tioman is by ferry from Mersing and Rompin. The journey is convenient and offers a scenic view of the sea.

Conclusion

Pulau Tioman is a paradise for nature lovers and adventure seekers. With its beautiful beaches, rich marine life and exciting activities, it is truly a gem in Pahang. Let's visit, enjoy and help to keep this island clean and green!

Keep Tioman Beautiful!
