The British Royal Family

The British Royal family is possibly the most famous family on the planet. For decades, the media and public have been obsessed with British royalty. The current lineup is constantly in the news and making headlines. Queen Elizabeth II is the head of the family, followed by Prince Charles, Camilla, Prince William, Kate Middleton, Prince Harry, and Meghan Markle.

The family also includes other members, but those are the main players. The scandals and dramas regarding the current lineup seem endless. Regardless, they still rule over the other famous families.

The Kardashian-Jenner Family

The Kardashian-Jenner family is the closest thing America has to a royal family. Kim Kardashian is one of the most famous reality stars of all time time. Kim's marriage to rapper Kanye West was big news for years. Of course, Kim's siblings, Kourtney, Khloe, and Rob Kardashian, are just as renowned.

In 2003, their father, Robert Kardashian, died from cancer. Later, Kris Jenner married Caitlyn Jenner and together had two daughters, Kylie and Kendall. The core family is incredibly popular and one of the most famous families in history. They parlayed their fame into several reality shows, including *Keeping Up with the Kardashians* and ***The Kardashians***.

The Beckham Family

Aside from the Royal family, The Beckhams are probably the most famous family in the UK. In 1999, fashion designer and former Spice Girl Victoria Beckham married renowned footballer David Beckham. They're one of the world's most famous couples, and the media is often obsessed with this couple.

Regardless, the Beckham legacy lives on with Brooklyn, Romeo, Cruz, and daughter, Harper. Brooklyn is a photographer and model who recently married Nicola Peltz. Romeo is a pro footballer currently playing in the MLS.
