***PART VI - Read the following text. Select the best answer for each question and mark the letter A, B, C or D on your answer sheet. (1 m)***

**My Travel Page**

Hi. I'm Maria. I live in Australia, but right now I'm travelling in Vietnam. Welcome to my Page!

**Ho Chi Minh City**

Well, I'm here in Ho Chi Minh City, which is a big city in the South. It's the most modern city I've ever visited, but it is more modern than Lagi town and there are lots of high buildings. The air here is quite hot and polluted because there are too many cars and motorbikes. I guess the people here are very outgoing and helpful. This morning a taxi driver helped me to find a cheap hotel near the city centre. I realise that things in Saigon are more expensive than in Lagi town. I'll have to spend my money more carefully from now on…

**Lagi Town**

This is my last day in Lagi town, Binh Thuan province! I'm on the beach now. It is warm and sunny here. There was a little rain yesterday, but the weather is fine today. I'll be sorry to leave today because I've really enjoyed my time here. People are more sociable than I've expected, so it's easy for me to make some friends. For me, the best things are the seafood and the environment – the food is so delicious and the air is fresh. Anyway, this afternoon I'm going to take a coach to Saigon – the busiest city in Vietnam.

**Câu 46:** Where does Maria live?

**A.** Is work **B.** in Australia

**C.** in Ho Chi Minh City **D.** in Vietnam

**Câu 47:** Why is the air in Ho Chi Minh city polluted?

**A.** Because there are too many cars and motorbikes

**B.** Because there are too many ships

**C.** Because there are too many people

**D.** Because there are too many bikes

LIVEWORKSHEETS
