Many of people consider that the pyramids were made or at least influenced by the non-earthly beings. One reason to believe it would be that this kind of structure it is not typical for any country or continent. The second thing is that the Pyramids' relationship to Pi and the triangular shape seem to prove it that their builders were been helped in terms of guidance by extraterrestrial beings. It is important to mention the fact that the ancient Egyptians were not familiar with the notion of Pi. Still, at a closer by look we notice that the Egyptians used to a wheel as a measuring device, so it wasn't not necessary for them to know about Pi, all they needed to know was how to use a wheel to measure.	1. _____ 2. _____ 3. _____ 4. _____ 5. _____ 6. _____ 7. _____ 8. _____ 9. _____ 10._____
