I don't wanna die or fade away

I just wanna be someone

I just wanna be someone

Dive and ……without a trace

I just wanna be someone

Well,…… everyone?

And if you ……the great dividing

I wanna be the one you're guiding

'Cause I …….. that you could lead the way

I just wanna be…… to someone, oh

I wanna be ……to someone, oh

I never had …… and no road home

I wanna be somebody to someone

And if the sun ……setting, the sky …… cold

Then if the clouds ……heavy and start to fall

I really need somebody to …… my own

I wanna be somebody to someone

Someone to you

Someone to you

Someone to you

Someone to you (someone to you)

I don't even need to ……the world (change, change the world)

I'll make the moon …… just for your view

I'll make the starlight circle the room (circle the room)

And if you feel like night is ……

I wanna be the one you're ……

'Cause I believe that you could lead the way

I just wanna be somebody to someone, oh (somebody)

I wanna be somebody to someone, oh

I really need somebody to …… my own

I wanna be somebody to someone

Someone to you

Someone to you

Someone to you

Someone to you

The kingdom ……, the rise, the fall

The setting sun above it all

I just wanna be somebody to you

I just wanna be ……to someone, oh

I wanna be ……to someone, oh

I never had ……and no road home

I wanna be somebody to someone

And if the sun ……setting, the sky ……cold

Then if the clouds ……heavy and start to fall

I really need somebody to call my own
