# Travelling in London

Drag the name and the description to the right picture.

**London taxi**

They sail on the river Thames. There are many different type of it. It's a good way to see the city!

**Boats, ferry**

The driver rides a bike at the front and two or three people can sit at the back.

**Rickshaws**

It drives in the streets of London. The drivers of it are very clever. They know all the streets in London.

**The Tube**

This is an underground train. The trains go in tunnels under the city.
