Example				
entrance	worried	heard	silver	path
ago	tomorrow	dark	month	hid

Harry's class at school was learning about caves, so the geography teacher, Mrs Park, decided to take the class to visit one. They caught a special bus to the .....entrance..... of an enormous cave. There they had to put on helmets with torches on them because the cave was really **(1)** ..... inside. Without torches they couldn't see anything. First, they went down some steps. Then they walked along a **(2)** ..... and saw some interesting rocks. Mrs Park said, 'Many years **(3)** ....., pirates kept their treasure here. We might find some gold!' They arrived at a small lake, where some boats were waiting. Mrs Park said, 'These boats will take us to the exit of the cave.' Harry got into one of the boats, and saw something in the water. 'Look, I've found some **(4)** ..... money. I don't think a pirate **(5)** ..... this money here! It's very new!' said Harry. There was a shop near the bus stop. Harry used the money to buy some sweets and ate them with his classmates.

(6) Now choose the best name for the story.
