6.- **Read the e-mails and answer the questions.**

Hello Julie,

I have just finished my first day of summer camp. It was great! Today, I met the people in my cabin, and they are all very nice. After we got off the buses and found our cabins, there was a competition. It was an obstacle course, which I loved, and my team won! For dinner, we cooked hotdogs and hamburgers outside. Then we sat around the campfire and talked.

How is your camp? Have you done any cool activities? Write me soon.

Love,

Hannah

Hello Hannah,

It's great to hear from you. I have also just finished my first day of camp, but it wasn't great. It was awful! I met the people in my cabin too, but we don't like any of the same things. Today, it was raining, so we couldn't do any activities outside. We had to stay inside and play board games. We had pizza for dinner, which was OK, but all of the pizza had meat on it. You know I am a vegetarian. At dinner, I talked to a few super cool people from other cabins. Why can't they be in my cabin? I hope I am not this sad all summer. Your camp sounds great!

I look forward to hearing more about your summer.

Love,

Julie
