## 4. Read about the city of the future and press the correct

Hello, I'm Emma. In my city of the future, I think there will be a very modern university and a huge shopping centre. I think there won't be a market. I think there will be more airports because people will travel more. In my city of the future, there won't be any trams or motorbikes. There will be a super-fast underground system. And there will be helicopters to transport you across the city – but they won't be noisy!
