Beaten up by love but the feelings still remain
You should _____ , if you want it, it`s yours
So come and get it
Right now, _____ than ever I feel everything (feeling everything)
All I got (I´m yours)
I´ll give it to you (be mine)
You´re in my brain (I´m yours)
And my heart too (be mine)
_____ I am yours
If you want me _____
Tell me you want me too
`cos I´ll give it _____ to you
I´m scared that I´m falling
Come catch me, I´m _____
My heart is calling
Can´t _____ me roaring, I´m soaring

Come jump with me and _____
I´m scared that I´m falling
Never _____ I´d fall like this
I´ve _____ right into this eternal bliss.
