MY ROOM

Mu names is Luke. I want to tell you about my room. My room is quite big. When you go through the door you can see a chest of drawers and a bed on the left. Opposite the door there is a shelf, a desk and another chest of drawers. There is a comfortable armchair in the middle of the room.

A standing lamp is next to the bed, between the bed and the chest of drawers on the left. The stereo is on the chest of drawers next to the bed. The shelf on the left of the desk has a collection of books. There are books, pens and pieces of paper on my desk.

There is also my favourite possession - a computer! I love my PC because it's a great tool. I can find lots of information online. I can use my computer when learning English, for example.

On the right of the desk there is the other chest of drawer. There is a small TV on top of it. I keep my school things and some of my clothes in this chest of drawers.

Opposite the door there is a big window. It's above the desk. There are plants on the window sill!. Sometimes, I open the window and break a pot. Clean or a bit messy, I like my room very much.
