Name_____

S P R I N G

Spring is one of the four seasons. It comes after winter, and before summer. The first day of spring is in March. Days begin to get longer, and nights begin to get shorter. The weather starts to get warmer. Rain showers come, which helps new plants begin to grow.. Many baby animals are born in Spring Easter one holiday that falls in the spring season.

Look outside in Spring. What do you see?

1) What season comes before and after Spring?

2) What happens to days and nights in Spring?

3) What is the weather like in Spring?

4) What holiday occurs in Spring?
