LIVEWORKSHEETS

The plane took off after a short delay

I got in just after eight o'clock.

I try to get away at least once a year so that I can take it easy.

Do you set off early in the morning if you need to catch a flight?

The next person who gets on the bus will have to stand, because there are no seats left.

Our flight touches down before midday.

When you get back from holiday, how do you feel?

When was the last time that you saw someone off at the airport?

Could you pick me up from the airport on Friday?

Do you usually drop people off at the airport?

He went to see her yesterday, and he asked me to stop by and meet all her friends tonight.

I'll give you a ride to the airport.

I can´t wait to look around the city, it looks amazing!

We stopped over in Miami on the way here.

If your means of transport is held up, do you get frustrated?

We ought to hurry up so that we don´t miss the bus.

I am looking forward to meeting my friends on my next holiday.
