CRAZY SPORTS

Royal Soccer

Two soccer matches are held every year in a small village in England. The teams include everyone in the village. There is no specific rule. Just be careful not to kill anyone! We don't know when the game started.

Chess Boxing

This game is popular in Finland. You need to be both smart and strong, because players play chess and then box against each other. There are 11 rounds. Winning comes from either a checkmate or a knockout. This game was first seen in a 1991 movie.

Cheese Chase

This game is held in a small corner of the British Isles. It involves 20 competitors chasing a block of cheese down the hill. Whoever gets the cheese wins. The game is at least 200 years old.
