June 23rd - Poetic Tools Revision

1)Match the definitions with the correct poetic tool:

Personification	Comparing two things by saying that something IS something else.
Simile	Comparing two things by using LIKE or AS.
Metaphor	Describing something in great detail to help the reader form a mental picture.
Imagery	Giving human characteristics to something that is not alive.

2) Can you tell which poetic tool is being used in these sentences?

personification	simile	metaphor	imagery

a- The fat, smelly cat was sleeping on the bed, and his hair was falling everywhere.

b- The hockey ball was really angry because the stick kept hitting it.

c- Emilia and Sofía are like two peas in a pod. They look exactly the same!

d- The computers at my school are old dinosaurs. They are so slow!
