A Cruise Trip

I had a great family vacation last December. My father took us on a cruise to Mutiara Island. It was a 2-day 1-night cruise out in the open sea.

When we arrived at the port, a few porters wheeled our luggage on board the ship. Next, we had to queue and register at the main office of the cruise ship. My father filled up some forms for us. [1.] Each card was embossed with the insignia of the ship.

Then, we walked up a gangway to board the ship. After having our boarding cards scanned, we looked for our cabin. We finally located it after losing our way twice. It was on the upper deck, Deck 8. The cabin door was blue and had a picture of a starfish. [2.] The spacious cabin room was fitted with 2 big beds, a dressing table and a wardrobe. We were happy with our room.

Then, we took a tour of the ship. It was huge and had many decks. [3.] We saw restaurants, karaoke bars, souvenir shops, and music lounges. There was even a heated indoor swimming pool and a jacuzzi. [4.]

In the evening, we had a buffet dinner. To our surprise, the captain gave a speech and a toast to the guests. then, he sat next to us. [5.]

We truly enjoyed ourselves. [6.] There were many fun-filled activities like treasure hunts, games and dances. It was a memorable holiday which I will cherish for the rest of my life.
