Dear Kate,

How are you? I 1 ..... (miss) you a lot! Right now, I 2 .....(sit) in a coffee shop in Manhattan. Lots of business people 3 ..... (walk) fast in the street, and lots of tourists 4 .....(look) at the amazing buildings around them.

I love New York! It is a great city! Every morning, I 5 .....(get up) early and I 6 .....(go) for a run in Central Park. Then I 7 ..... (have) some coffee and bagels before going to work. On Mondays, I usually visit my friend Bruce Wayne. He8..... (live) near my house and he 9..... (like) playing Fortnite, so we often 10..... (play) video games together. Today, my friends and I 11..... (go) to the Museum of Natural Science. I 12..... (take) my camera to photograph all the amazing animals!

What about you? What .....you ..... (do) at the moment?

I hope to see you soon.

Take care,

Sally.
