Narrative Essay

Instructions: Write on ONE of the following topics. You should have at least three well-developed paragraphs.

1. Write a narrative ending with the following sentence:...After everything that happened I truly believed the saying that there is no place like home.

2. A woman's scream pierced the night. I had barely reached the window to yank open the curtain before the red glare of fleeing headlight disappeared into darkness. (Continue the story)

3. Write a narrative including all of the following elements:

i. a red light
ii. a crying mother
iii. an ambulance
iv. a phone call

Essay Question: ____

Plan
