My Birthday

Last Friday was my birthday, but I decided to celebrate it ____ Sunday ____ night. Everybody were having fun ____ the living room. We order pizza and my sister bake a delicious birthday cake. My friends brought a big box decorated with colorful papers and they put it ____ the dinning room's table. We were having a lot of fun and then, my sister remebered the sanitary restrictions that start ____ 9:00 pm ____ 5:00 am, so we could not sing the "Happy Birthday" song nor eat cake.

I was very sad, but then I remembered that I have to work the next day ____ the hospital and went to sleep.

Even though we could not celebrate my birthday, we will celebrate it next week ____ Christmas morning by going to Manuel Antonio.
