**READING** Read and answer.

I like to share my time and talents with other people. For example, each week I give two hours of my free time to senior citizens who live alone. I carry hot meals to their homes and talk with them. I enjoy their company, and they enjoy mine. I also _____ my talents with patients at a local hospital. My friends and I get up on stage and dance for them. It is a lot of fun! I love it when the patients smile and seem to forget their worries. Sharing myself with others makes me happy.
