LESSON 5 Grammar in a Song Call A B = A를 B라고 부르다	♬♪ Call You Mine ♬♪	Jeff Bernat

About not too long ago
얼마 지나지 않은 일이야
I woke up feeling kind of blue
나는 약간 우울한 기분으로 일어났어
So I picked up my phone and I decided that I hit up you
그래서 나는 전화기를 들고 너에게 전화하기로 결심했어
So then we talked for a little while,
그래서 우리는 잠깐 통화하면서,
ask me if I could roll through, so we
물었어 우리 만날 수 있을지, 그래서 우린
met up, got food, and we spent time till the night was through
만나서, 밥도 먹고, 밤새도록 같이 시간을 보냈어

(*) Can I _____ you my own, and can I call _____ my lover
널 내꺼라고 부르고, 내 사랑이라고 불러도 될까
Call you my one and only _____
내 하나뿐인 유일한 여자라고 불러도 될까
Can I call you ____ _____, call you my baby
너를 내 전부라고 부르고, 너를 자기라고 불러도 될까
You're the only one who runs my world
너는 내 세상을 움직이는 유일한 사람이야

I remember this night we had outside on the grass us two
나는 우리가 야외 잔디밭에서 함께 했던 그 밤을 기억해, 우리 둘
We were gazin' at stars who smiled
미소짓던 별들을 바라보고 있었어
as my eyes only turned towards you
내 눈이 너에게만 향했을 때
I knew there was no one else I needed and my love's never felt this way
내게는 더 이상 너 외엔 필요한 사람이 없음을 알았지 그리고 내 사랑이 이렇게 느껴진 적 없었다는 것도
I wasn't too sure if you would mind, I was nervous but I had to say
확신도 없었고, 긴장했지만, 나는 꼭 말해야만 했어

REPEAT (*)

RAP: Yeah if you have sexy people in the place / You probably snapping your fingers
Right about now uh listen a program hey
Call me now call me later or call me whenever / Call me friend call me lover or call me whatever
I call you mine, No ownership implied whatsoever, I call you what it is
A natural blend together / Them other brothers like to hollow forever
A hollow now how sent to you with / I ain't tellin' you can get it
If not you can imagine / Enough with the rap, time for some action

REPEAT (*) X 2
