LISTEN TO THE SONG AND CHOOSE THE CORRECT WORD

GLORY AND WISDOM
JAHGUN

Give me peace
Give me love
Give me freedom
Justice for I and I

Give me peace
Give me love
Give me freedom
Jah, Jah people survives

Give me peace
Give me love
Give me freedom
Justice for I and I

Give me peace
Give me love
Give me freedom
Jah, Jah people survives

Glory and wisdom in his kingdom
Jah provides equal BRIGHT RIGHTS
Separation segregation
This logic I cannot abide
Positive vibes not DICTATE DEBATE

Spread love and life every day
The fruitful mind won't betray
So, put your thoughts up on display
Oh, yaga, yo
Yaga, yaga, yaga, yo
Yaga, yaga, yaga, yo, ya, ya

Give me peace
Give me love
Give me freedom
Justice for I and I

Give me peace
Give me love
Give me freedom
Jah, Jah people survives

Give me peace
Give me love
Give me freedom
Justice for I and I

Give me peace
Give me love
Give me freedom
Jah, Jah people survives

With worldly thoughts we've lost ourselves
Sacrifice our mental HEALTH WEALTH
The ancients rose from among the dead
To cast away your evil BELL SPELL

Give me peace
Give me love
Give me freedom
Justice for I and I

Give me peace
Give me love
Give me freedom
Jah, Jah people survives

Give me peace
Give me love
Give me freedom
Justice for I and I

Give me peace
Give me love
Give me freedom
Jah, Jah people survives

Give me peace
Give me love
Give me freedom
Justice for I and I

Give me peace
Give me love
Give me freedom
Jah, Jah people survives

"I and I" is a Rastafarian expression that means "I, with God's help".
