Shoulda open
Shoulda more
Shoulda a lesson from the year before
Shoulda honest
Shoulda cried
Shoulda me there was nothing left inside

[Chorus]
Now the road keeps on forever
And the years keep us apart
We lost something, I still wonder where it was
It shouldn't matter
Shouldn't matter, but it does

[Verse 2]
You shoulda just
You shoulda clean
You shoulda sad instead of being so mean
It shouldn't be easy
But it shouldn't be
You shouldn't be a in your own backyard

[Chorus]
Now the road keeps on forever
And the years keep us apart
I know it's over, I'm just this because
It shouldn't matter
Shouldn't matter, but it does

[Verse 3]
I shouldn't be
I shouldn't
I shouldn't leave messages in every little song
It could have always
It could have me
We could have been naming baby number three

[Chorus]
Now the road keeps on forever
And the years keep us apart
If it's then I the both of us
It shouldn't matter
